Willow Glen High School, much like Camelot, has Knights in shining armor, court jesters, serfs, royalty, merchants, and most of all scholars. Even though the times and styles have changed the dreams and aspirations of Camelot still remain with us.

"When soft west winds have breathed upon the trees, and tender sprouts appear in all the leas, and when the youthful sun has run his course. Half through the Ram—the sign of springtime force. When little birds, so stirred by nature's might. They seem with open eyes to sleep all night."

# Scholars & Seers

"A Clerk-that is, an Oxford scholar-He'd rather spend his gold on books than food,
Or on gay clothes or fun, as others would.
Of ethics and philosophy he read, Kept Aristotle right beside his bed. He seldom spoke, so that you wished to hear;
Of high ideals and virtue was his speech; And gladly would he learn, and gladly teach."

# Daniel And His Court

"This has been a year filled with many accomplishments" This is the opening sentence written by Willow Glen's first principal, Bob Buchser, for the first yearbook, class of 1951. Willow Glen High School has come a long way since that time, but this year, like the first year, has been a year of many accomplishments. The destiny of our school is determined by our successes in the past and our willingness to work together for the future.

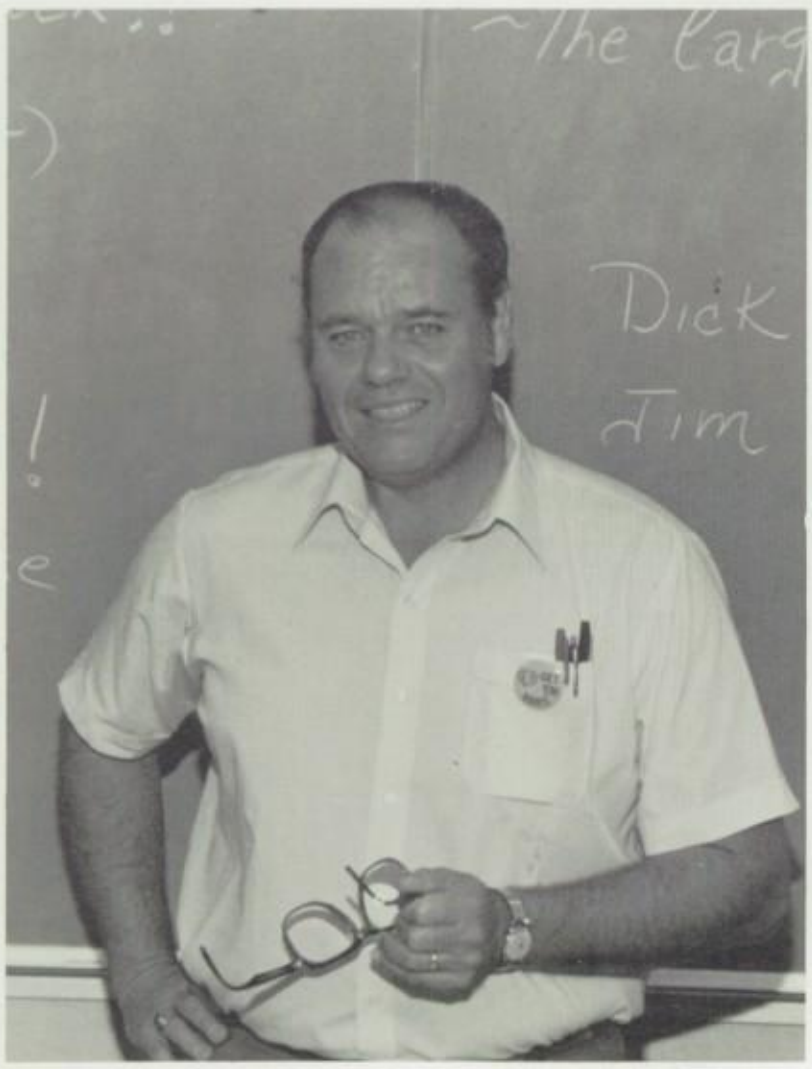
Dan Jackson
Principal

Willow Glen is a quality high school because of the great students, faculty, and staff. I am priviledged to be a part of this fine heritage. Congratulations and best wishes to the class of '82. "Accept your limitations, then go beyond them." You will then achieve more.

Verdis Crockett
Vice Principal

I'm really glad to be back to Ram Country. I feel it a honor and a pleasure to be working with Mr. Jackson and all of the Willow Glen staff. But most of all I am enjoying my job because of the outstanding young people that attend the #1 high school in San Jose.

Jim McGuire
Vice Principal



I'm truly proud to be a part of the Willow Glen High School Community. The students, faculty, staff, and parents are outstanding and Willow Glen is one of the top high schools in the Santa Clara Valley. I particularly enjoy working with student activities and student government. We have strong student leadership, participation, and service to our graduates will make a real contribution to our way of life as adults.

"Congratulations to the class of '82.
Good luck and Go Rams."

Dick Fraley
Vice Principal

The custodians, cafeteria workers and secretaries are an important part of the Willow Glen campus. These dedicated people allow the school to function properly. Without their help it would be difficult for Willow Glen to remain number one!

"Up! up! my friend and quit your books; or surely you'll grow double. Up! up! my friend, and clear your looks; Why all this toil and trouble?

Books! 'tis a dull and endless strife; come, hear the woodland linnet, how sweet his music! on my life, there's more wisdom in it.

And hark! how blithe the throstle sings! He, too, is no mean preacher; come forth into the light of things; let Nature be your teacher."

# Riding The New Wave

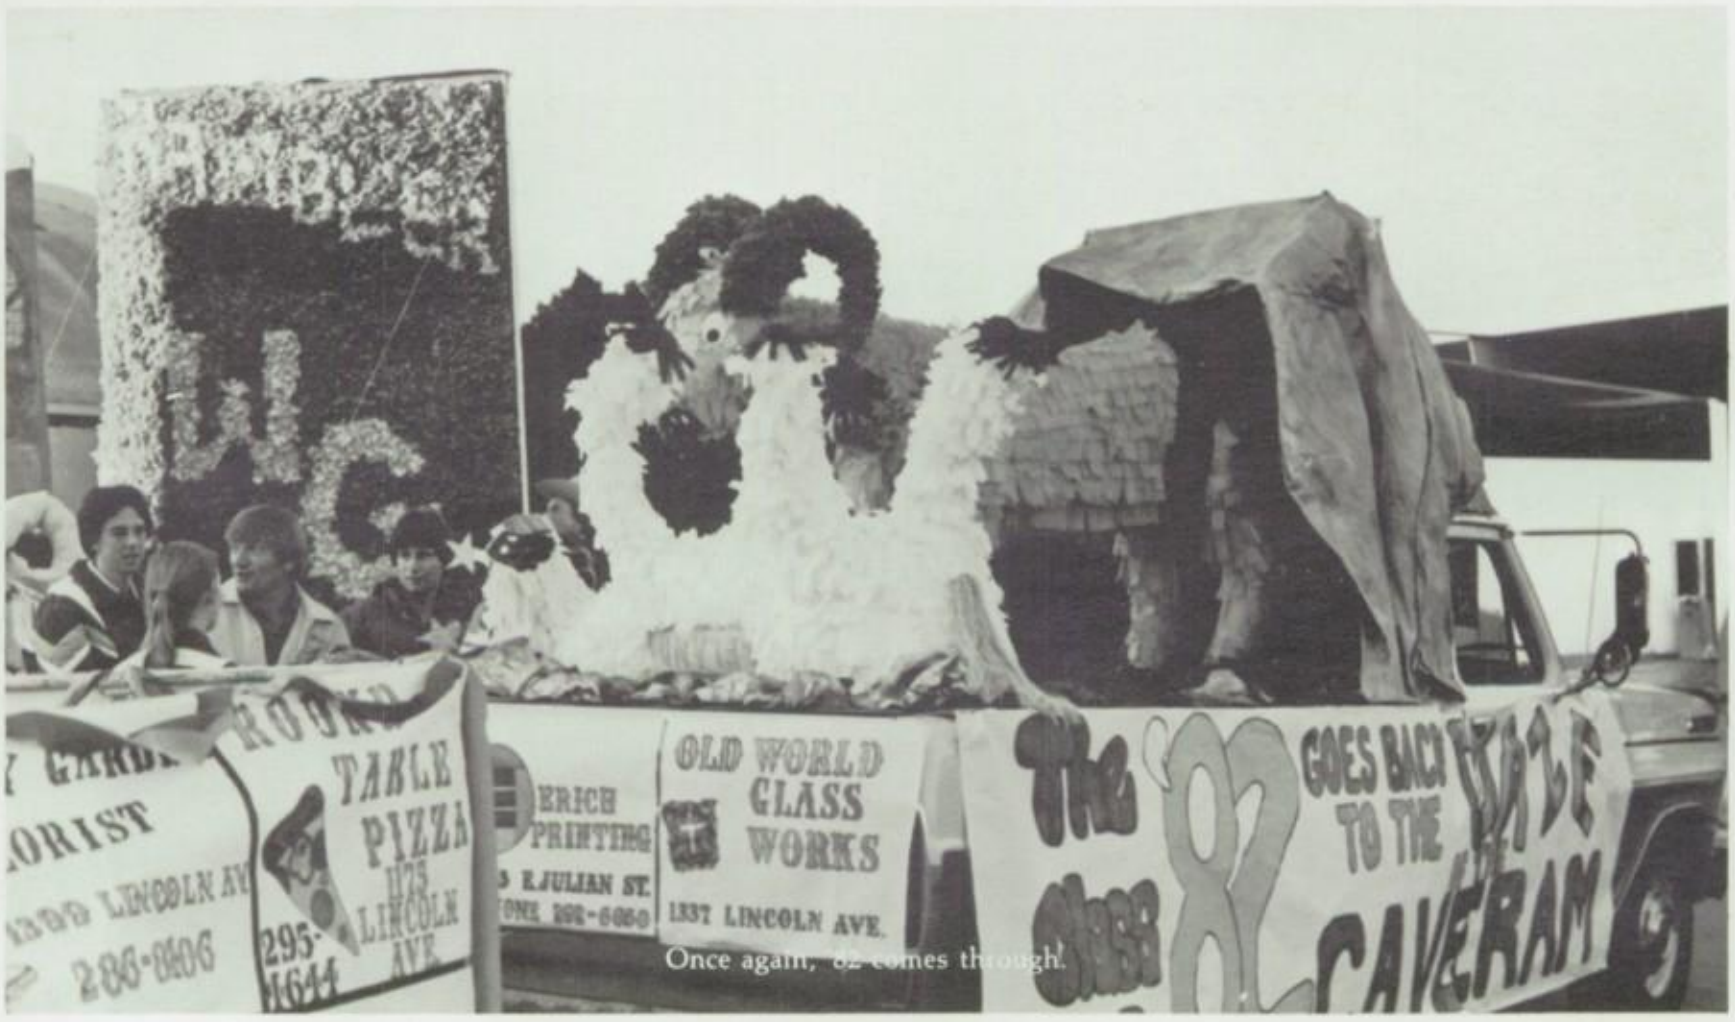
The welcome dance proved to be successful this year attracting all types of people. The group that dominated the dance seemed to be the "punk rockers". This assemblage dressed in the most imaginative attire and danced to the new wave sounds of R.P.M. Are new wave dances a fad or becoming a tradition at Willow Glen?

# Come Home To Willow Glen

The homecoming festivities this year proved to be memorable for all those involved. The daily activities drew large crowds who in turn generated much enthusiasm. Each class loyally cheered their team on, but the class of '82 defeated the two lower classes leaving the Seniors with a perfect 3-0 record for Homecoming Week. This year's theme, "The Good Ole Days", was effectively carried out through the presence of alumni cheerleaders and homecoming queens.

Drill Team struts their stuff.

Must we share everything?!!



Once again, '82 comes through!

The lunchtime contest between sophomores, juniors and seniors demonstrated class spirit for the 1981-82 Homecoming competition. Each class strived for victory in the events which included the sack race, the jelly bean snuff, the tug of war, the human pyramid, and the pool activities. Each of the events were enjoyed by many spectators from each of the classes, cheering their team on to victory. Although the sophomores and juniors tried, the seniors still came out on top.

Anyone who was on Lincoln Ave. at noon on Friday, October 16, could not have missed the noise, sights, and enormous spirit coming from the Willow Glen Homecoming Parade. Thirty-six automobiles, containing true-to-life floats and enthusiastic spirit leaders were accompanied by policemen directing traffic. Spirit spread to both young and old on this exciting day.

This year's Homecoming dance was filled with fun and frolic. All three classes had a reasonable number of participants. The cafeteria was full of students dancing to their hearts content. The theme of the dance was the 50's. Students were dressed in attire ranging from teeny-bopper styles to prom formals.

Royalty was the word as Wendy Ellefsen and Jeff Houston reigned over the Homecoming Day Festivities. Diane Hale and Brian Kenyon were selected by their classmates as Senior Princess and Prince. Bill Maxwell and Gia Cloughesy were chosen as the Junior regal representatives while Gaby Moorman and Chuck Matthews were elected as Sophomore Princess and Prince.

# A Shakespearean Masterpiece?

The drama clubs first play of the season, "George Washington Slept Here" proved to be a big success. The four day run of this production had the cafeteria filled, with the audiences rolling in the isles. Joe Parker should be commended on his fine job of directing these talented young students.

# Chorus Line

Precision is the word which describes the drill team. This group of 23 girls amaze their audiences with crisp, synchronized movements. Captains Sherry McDowell and Lisa Austin choreograph most of the routines, although some have been learned during spirit camp. Practicing for ten hours each week, these girls liven up the halftime shows during football and basketball games.

This year the Willow Glen varsity spirit squad kicked off the season with an impressive display of talent and energy. # Michelangelos Of The 80's

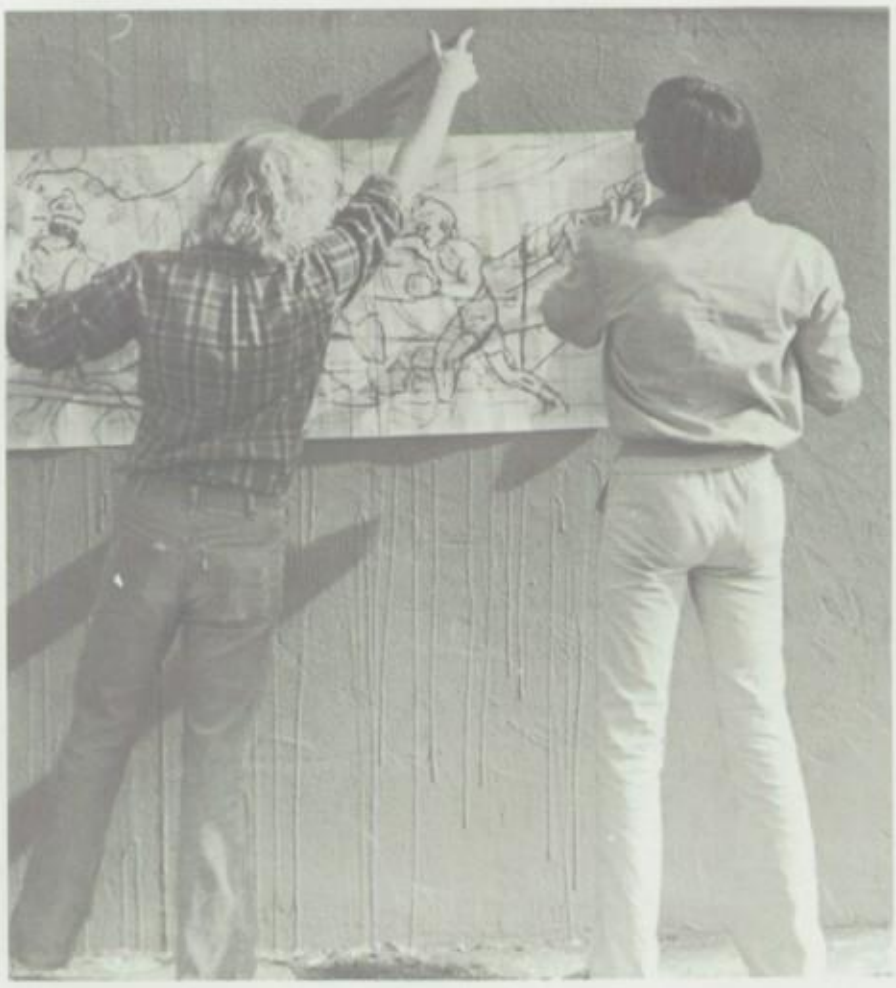
The school's appearance this year has improved thanks to this small group of students, the mural class. These kids worked hard to give expression and character to the dull walls and bare halls of Willow Glen. The group of modern day Michelangelos consists of designers Vince Dominguez, Gus Torres, Tom Webb, and Jeff Yaksick; supervisors Aaron Spielman, Byron Stenmoe, Paul Horvatic, Steve Wallace, and Tracy Wilson; public relations person Julie Pearlman; and A.A.H.P.'s Tracy Schiefer and Scott Ward. The assistants are Robyn Goetz, Maria Escamilla, Jenyl McGuire, Suzie Dopyera, Bridget Wood, Bill Alves, Brian Bost, Denise Sanchez, Elisha Arnone, Karlin Koepcke, Rick Campagna, Patrick Tam, Lynn Barranti, Jon Byrom, and Mike Mannina.



# Leg. Council Lives On

Student government is alive and well at Willow Glen. Students turned out in record numbers to become actively involved in student affairs. Willow Glen used the rotating period method for the meetings, enabling students to attend regularly.

# Modern Day Parliament

Being the leaders of Willow Glen, this group of future politicians, alias "Fall A.S.B. Officers", devoted much of their time to bring many activities to the students. Julie Pearlman and her cabinet organized a very memorable Homecoming, while Kendra Maggio contacted 260 alumni to attend the event. Congratulations should be given to this group for organizing the dances, school spirit, community contributions, and many other events too numerous to acknowledge.

# "Untitled"

The name "Hang-ups" pertains to the Willow Glen Art Club. The purpose of "Hang-ups" is to help develop an advanced understanding of the art field as a career. Some of the projects the members of "Hang-ups" undertake consist of: organizing an annual book, submitting works to art shows, planning art field trips, and designing murals. Members are: Tom Webb, Byron Stenmoe, Jeff Yaksick, Gus Torres, Barbara Liu, Tracy Schiefer, Patrick Tam, Aaron Spielman, Scott Ward, Charlotte Carlisle, Kathy Struve, and Jim Mansfield, and most important of all, Advisor Mike Ellner.

A good example would be

# "Eggheads" Unite

Is this group actually chosen for their scholastic endeavors? Appearances may deceive you because this carefully selected group of Willow Glen students worked hard to be in this picture. National Honor Society members are chosen on the basis of scholarship, character, leadership, and service. This group of rather "special" people is small because of the difficulty of becoming an "egghead". Honor Society's "Chief Egghead", Miss Lee Hilbert, did a superior job.

# Minstrels Stroll Through Seasons

An asset to both the teams and spiritleaders, the pep band brings excitement to all who attended the football and basketball games.

The band played victory songs as well as contemporary numbers under the direction of David Sommers.

The group attended the games on a voluntary basis and deserve a great amount of gratitude for their endorsement.

# Mental Jocks Score For WG!

The winners, Fritz Burnell and David Sommer

The Academic Decathalon was a first for Willow Glen. It was a series of ten events which tested knowledge plus verbal and written communication skills. The tests were held at the end of October and the highest scoring students were chosen to make up the Decathalon team. Students competed in categories according to their individual grade point averages. The participating students were Fritz Burnell, Mark Chun, David Sommer, Denise Rosales, Robert Galli, Stacy Wilkinson, and alternates, Jeff Hustler and Brent Fiehmann. Willow Glen placed nineteenth against the other twenty-one schools. Senior David Sommer placed second in the mathematics category and Senior Fritz Burnell had the second highest alternate score. The Decathalon preparation was coordinated by Robert Beck, of the social studies department, Vice-Principal Verdis Crockett, and Mrs. Bev Domenech, former Parents' Club President.

The Varsity Basketball cheerleaders guided the crowd with exploding spirit and exuberant yells. A lot of togetherness and determination proved that they worked hard. Our school spirit was boosted with the help of the Varsity Pom-pon girls, who performed their swinging routines. Their motivation was boosted with a first place award at summer spirit camp. A great amount of credit should go to the enthusiastic mascots. The highlight of the season was the Westmont Tournament in which the squad took first place in the spirit competition.

# The Kings And Their Little Princesses

The annual Dad Daughter Dinner Dance was once again a huge success. Princesses of all ages were escorted by their favorite kings. The dinner went smoothly due to the generous efforts of Bev Domenech and Sandy Steed of the Parent Booster Club. The music supplied by Joel's Mobile Music spanned three decades. A lot of people find the idea of going to a foreign country interesting, but never go through with it when the opportunity is offered to them. But these stalwart adventurers from Sweden, Germany, Spain, and Japan left their homes to attend school in a foreign country where they didn't know anyone.

When asked how American schools differ from Japanese schools, Saiko Samota replied, "American schools are much easier. In Japan, we have fifteen subjects at a time, with very limited freedom. Teachers are much harder and not as friendly."

Patricia Salama (Spain) stated, "In Madrid, friends spend most of their time in bars. There is no drinking age and people gather together and party everyday."

# Princes & Princesses

For the princes are the glass,
the school, the book,
Where subjects' eyes do learn,
do read, do look.

—William Shakespeare

. . . and that goes for princesses too!

Bill!
I'm glad that we got
to be friends this year!
You are really sweet (most
of the time) you really
made biology fun. I even
forgive you for all those
times you bit my hand.
I hope to see you next
year and maybe even
during the summer. So
have a great summer
and keep in touch (369-0868)

# Peasants & Rustics

A kindly, simple laboring man was he,
Living in peace and perfect charity.
With all his heart he loved God best, and
then
His neighbor as himself. For poorer men
He'd thresh and dig and plow - work all the
day
In heavy toil without expecting pay.

— Geoffrey Chaucer

# The Games

"In fifteen mortal battles has he been, Crusades against the Turk and Saracen; and fought in tournaments, and won the prize; and yet although most worthy, he was wise, and in his bearing meek as is a maid. He never had in all his lifetime said an ill-bred word to serf or man of might: He was a very gentle knight."

# Rams Display Perseverance

After losing to Blackford and playing Branham to a tie, the Rams came on strong with an impressive four game winning streak.After a fatal meeting with Leland, the Rams came back to squeak out a victory over a tough San Jose team. The high point of the Ram's season came on a muddy Saturday afternoon as top ranked Live Oak came to Willow Glen. The Rams played their toughest game of the year and battled Live Oak to a very close 21-13 final score.

Key players for the Rams were quarterbacks Rob Browne, who was injured early in the season, and his replacement, junior Steve Bell. Bret Gedryn gave the Rams the ground game they needed and defensively, Steve Malik, Brandt Brereton, and Tim Vaughn all had great seasons. Bill Chavarria should be commended for his fine play both offensively and defensively.

# Gridders Have A Great Start

The Rams began the season very strong and after five weeks of play, they had an impressive record of 4-0-1. Unfortunately, after the fifth game the sophomores found it difficult to continue their brilliant ways. At the close of the season the Rams had to settle for fourth place in a strong STAL.

Derek Munoz had an excellent season on offense and Chuck Matthews played a key role in the Ram's defense. Fred Houston was voted MVP and Efrain Hernandez received recognition as being most improved.

Coach's Award went to Stacey Ravel, Senior Award went to Tracy Wilson, Outstanding Rookie was Lisa Edwards, and Most Improved was Laura McNamara. The team as a whole, had an outstanding year, which led to the #2 spot in S.T.A.L. and showed promises for number one next year.

# Poloists Fight To The Finish

The water polo team had an unusual season this year. Even though the poloists were unable to win any league games, the team had fun and showed good sportsmanship throughout the season. The M.V.P. this year was senior Craig Hope.

Coach John Tavella said, "Even though we didn't do as good as I had hoped, we proved to be strong against C.C.S. ranked Santa Teresa and Leland."

# Enthusiasm

The swimmer's season started with the largest turnout in many years. Over 28 girls showed up during the first week of practice. Team practice soon trimmed the squad 22 enthusiastic swimmers. The team finished with an overall record of 2-5, and a fourth place league finish. Sharon Chin, Karin Garbers, Diane Chiaramonte, and Kelly McConnell all qualified for C.C.S. Diane Chiaramonte placed fifth in the finals of the 500 free. Most improved went to Stephanie Deinert, most inspirational went to Sherilyn Jones. # League Champs Again

Both the girls and boys varsity cross-country teams came out on top in the STAL league standings. The girls claimed sole possession of first while the boys team shared the title with a strong Gunderson team. The girls went on to CCS due to the great depth of their team. Running consistently well through the end of the season were Ruth Day, Debbie Beste, Charlotte Carlisle, Shawna Blankenship, and Mindy Ellis. The boys team had their CCS hopes crushed after a poor performance at the Regional meet due to very untimely injuries. Individual leaders for the boys were the Livingston brothers, Greg Rivera, and Tom Hoffman. With the top five varsity runners returning next season, plus a wide assortment of talented freshmen and sophomores, Coach Jones can look forward to a very successful season next year.

The team lost eight starters from last year so this year Coach Axline had her work cut out for her in rebuilding the squad. This year's schedule proved to be very tough. Only one league opponent was played, with Willow Glen beating Leland 9-1.

For the first time ever, there was a three way tie for Most Valuable Player. Those receiving that honor were Cynthia Escamilla, Michele Emerson, and goalie Jennifer Steed. Susan Schmidt had a fine year playing J.V. and Cindy Butler played well all season on both J.V. and varsity.

# Spikers Meet Their Goals

The Netters proved to be a stronger team this year. With the help from seniors: Ingrid Bailey, Kim Cabral, Carey Call, Sue Strunk, and Trang Trinh; juniors: Denise Dillard, Kim Hill, and Regina Kane; and sophomore; Angie Jones, the united team fulfilled their goals. They went on to capture fourth place with an S.T.A.L. record of 4-8. M.V.P. was senior Sue Strunk, most inspirational was junior Kim Hill, and most improved was sophomore Angie Jones.

Coach Brown said "Our most exciting win was against Leland, in the second match, with a score of 15-10."

# CCS Once Again

"This years team has shown a tremendous amount of courage. They have overcome a great deal of adversity to accomplish more than anyone had expected of them. This season was one of the most rewarding experiences of my coaching career." said coach Bob Roehl.

Coach Bob Roehl and the Rams did it again. With CCS knocking, the Rams answered with a 17-9 record and league championship. Led by the seniors, the Rams "out played" themselves right into CCS competition. Everyone played a vital role in the Ram's success, and coach Roehl will be looking forward to next years CCS team.

# Outstanding

The Girls Basketball Team played outstanding this season. Completing 17 wins and 5 losses, the Lady Rams captured a third place in S.T.A.L. Shannon McGee was voted Outstanding Player and was elected to first team all-league. Regina Kane was elected to second team all-league, and Kendra Johnson captured Honorable Mention.

"Their hard work and great attitude made it a very successful season and one of the best girls team at Willow Glen," said coach Johnson.

# Booters Show Potential

The boy's soccer team had their best start since the early 70's. As preseason play came to an end, the team had built up a record of 4-0. But the real test would have to come in league play. The STAL is one of the strongest leagues in CCS with such powerhouse teams as Leland, Gunderson, and San Jose, all three of them being ranked.

Soccer coach Carlos de Leon said, "I feel that this team is one of the most coachable, cooperative and skillfull teams that I have coached in all my years of coaching soccer."

# Lady Ram's Take Third

The 1981-82 soccer team completed a successful season with a 7-5-2 record and a third place finish in S.T.A.L. Led by Senior co-captains Janet Nash and Josie Garcia, the lady rams turned in some outstanding performances. Janet Nash was selected to the all league 1st team and Marian Ventura and Desiree Ramirez to the all league 2nd team. Junior Lisa Castenada led the team in scoring, with Erin Donovan and Cindy Butler controlling the mid-field play. The defense was led by sophomore Laurel Karren and senior Sue Strunk. "Next years team looks very promising with many returning veterans," boasted coach Reynolds.

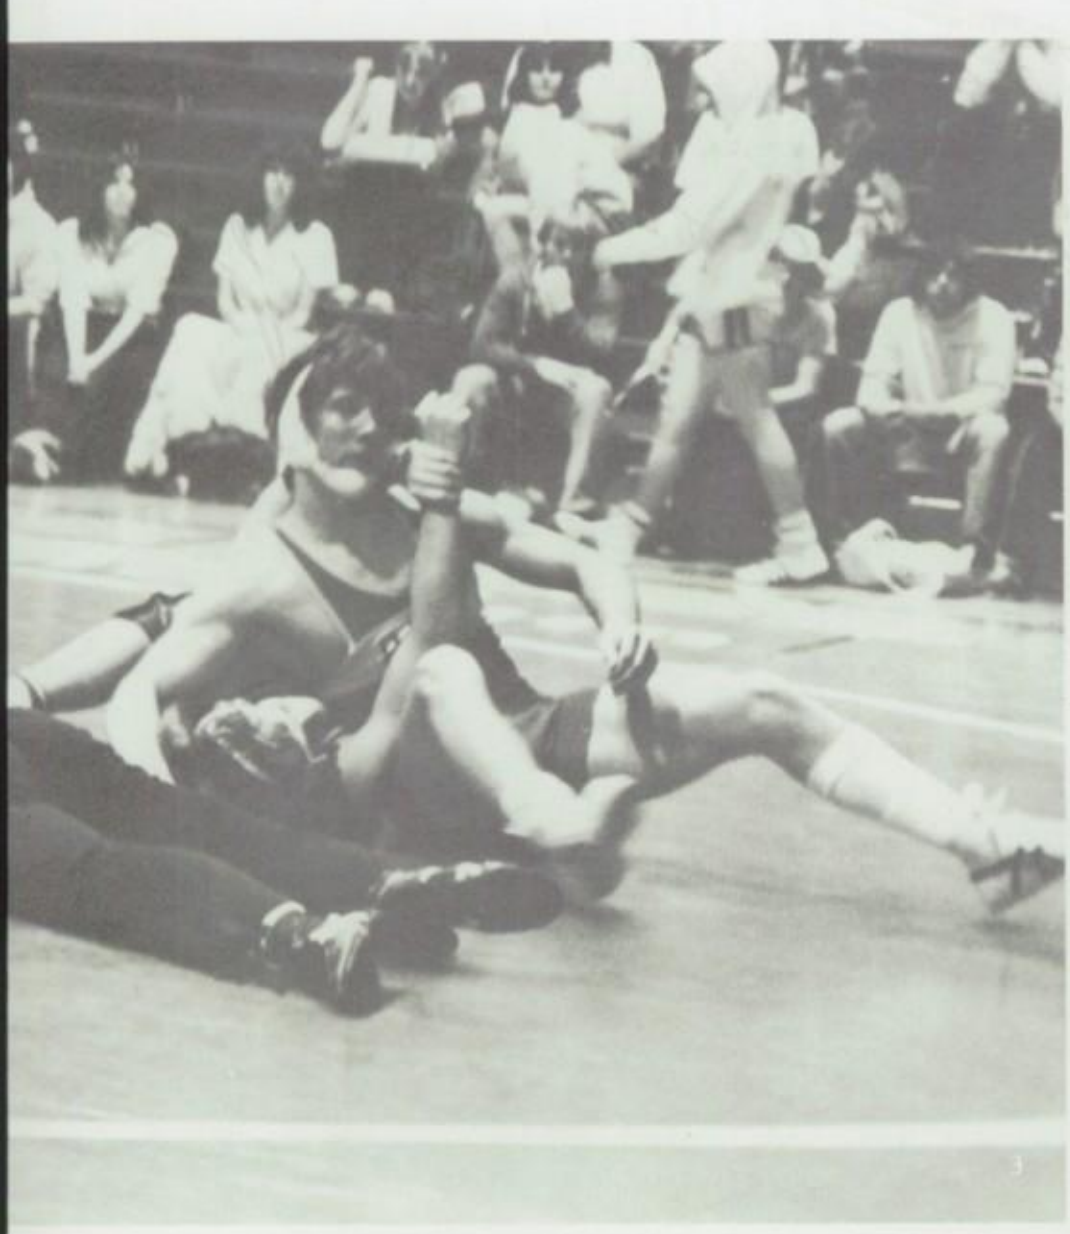
# "Mat Men"

Willow Glen's wrestling team had high hopes for the 1982 season. On December 12, the Rams placed sixth overall out of the twelve teams which participated in the Lincoln Team Tournament. This was one of the teams finer performances with many individuals placing highly.

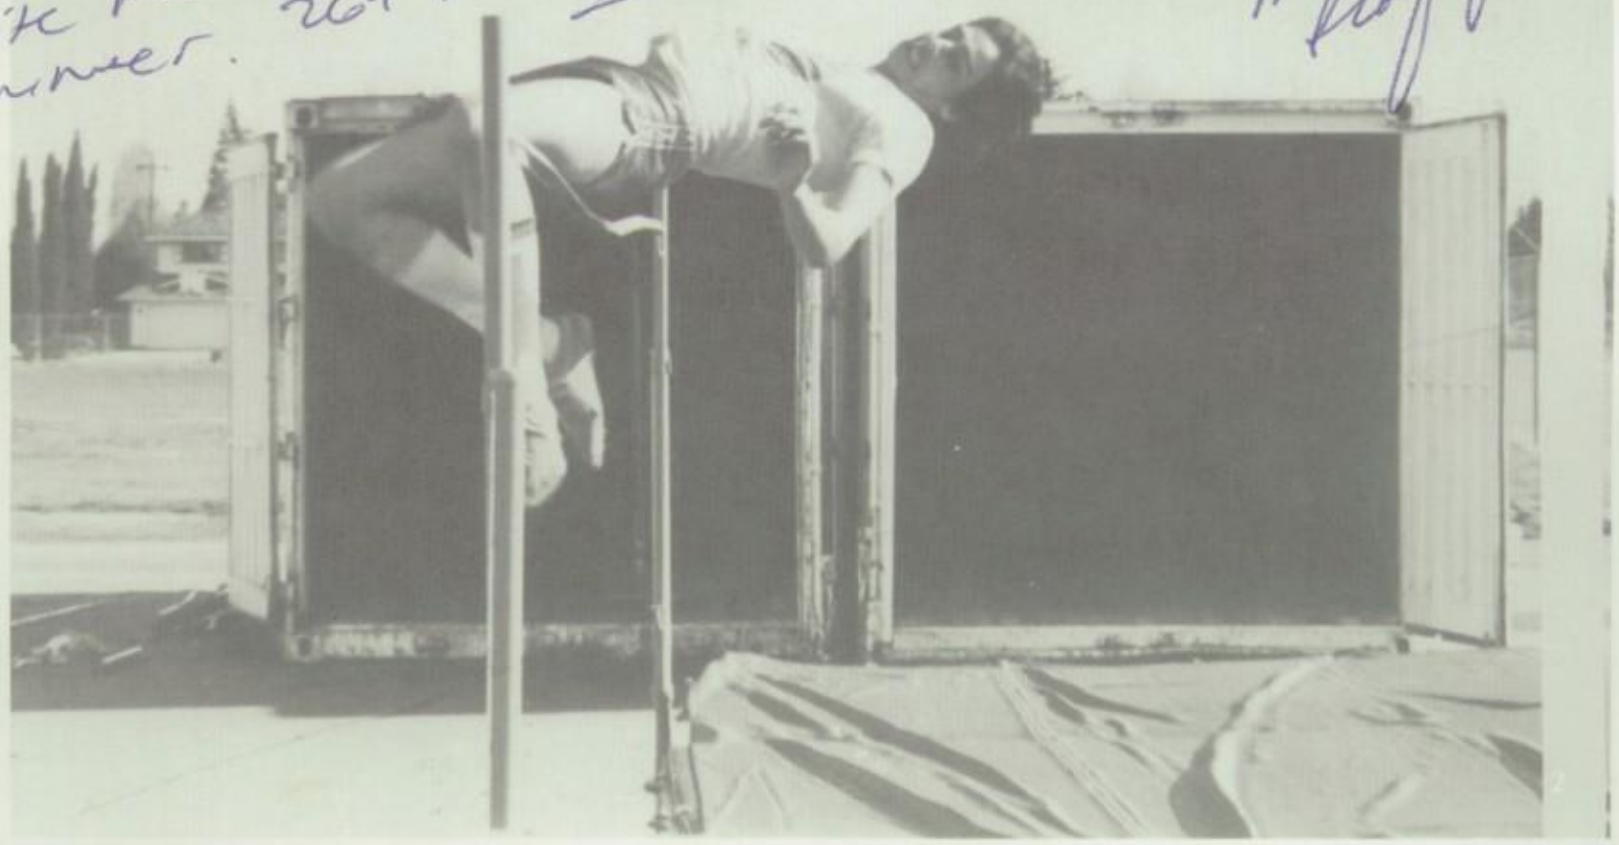
Wrestling is a team sport with a heavy emphasis on individuals. The Rams entered league competition with a handful of "great" wrestlers and an abundance of "good" wrestlers. Because of the team's depth, the wrestlers looked with confidence to the season.



1. Ram locks horns with opponent.
2. Ron Arnone makes a quick pin.
3. Wrestlers struggle for points.

# Running For CCS

With the gain of a new head coach for the sprinters, Coach Jones and the Rams are looking for a promising season. Individuals running this season include; John Anderson, David Mills, Frank Turner, Bill Wright, Dave and Mike Livingston, Mindy Ellis, and Ingrid Bailey. Behind these superstars and a united team, CCS is only meters away.



1. Ashkan Imanzahrai demonstrates a high jump.
2. "Back Scratcher".

# Winding Up For A Great Season

Returning back from being number two in C.C.S. last year, the Girls Softball team is ready to capture first. Starting off with a good pre-season, the girls are wound up and ready for, "playball". With many returning veterans and with the addition of new players, Coach Romero and the team, as a whole, can expect one slug of a time.

# Inexperienced But Determined

Once again Willow Glen Baseball is caught with inexperience as a team. Last years starters and this years newcomers are vigorously trying to unite as one. But inexperience alone is not enough to quiet down this determined team. There's enough enthusiasm and good athletes to win the S.T.A.L. championship.

Back Row: Coach White, Kel Hydorn, David Anderson, Gary Ellenberg, Todd Blair, Paul Welch, Chris Kourkos, Steve Wallace, Front Row: Tony Bush, Chuck Mathews, Perry Clifton, Paul Hubbard, Kirt Buchmiller.

# Sophomores Take First

At the beginning of the season, after losing three starters to the varsity team, coach Kevin White was told that he had a losing team. With a setback of 4 wins and 6 losses in pre-season, the Rams decided that they wanted nothing else but first. The Rams went on to finish in a first place with a record of 10 wins and 2 losses.

# Swinging High

Golfers swing towards another promising year. There are four returning lettermen from last years S.T.A.L. and regional champions. Jay Patyk, Kerry McConnell, Brad Balassi, and Frank Cali are all returning and give a solid foundation. Additional players on this years team are Ken Engstrom, Mark Cali, Brian Reddig and Dave Fishtrom. Currently the team is 3 wins 1 loss in pre-season; beating Aptos, St. Francis, and Gilroy. Their only loss was to Aptos in the opening match of the year.

"All members are working hard and showing improvements daily." said coach McConnell.

# Rams Return For More

The Rams are back to bird watching. After winning the league for 2 years and then placing 2nd to Leland last year, the team is ready for another victory. Playing the number one position is Mike Edgar and Trang Trinh. Heading up the doubles are Brian Kenyon and Carlie Hernandez for the guys, and Michele Emerson, Thalia Engler, Barbara Osterman, and Sue Strunk for the gals.

"We are eager and ready for this upcoming season", stated a member of the squad.

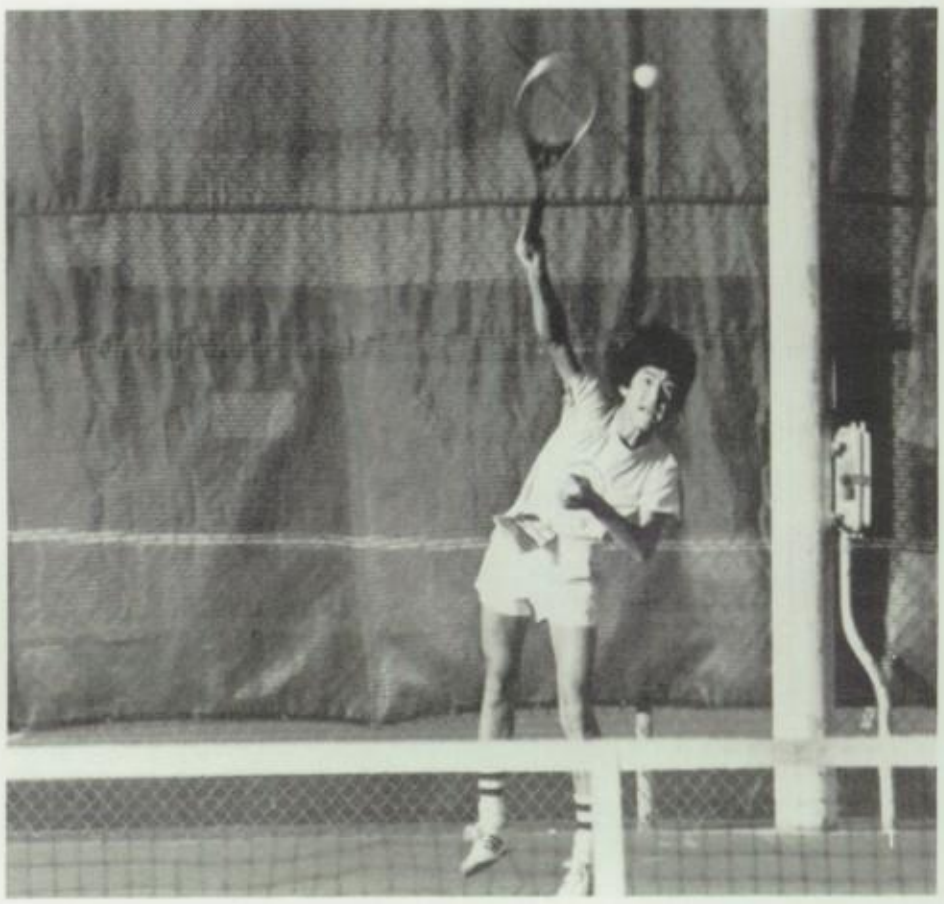
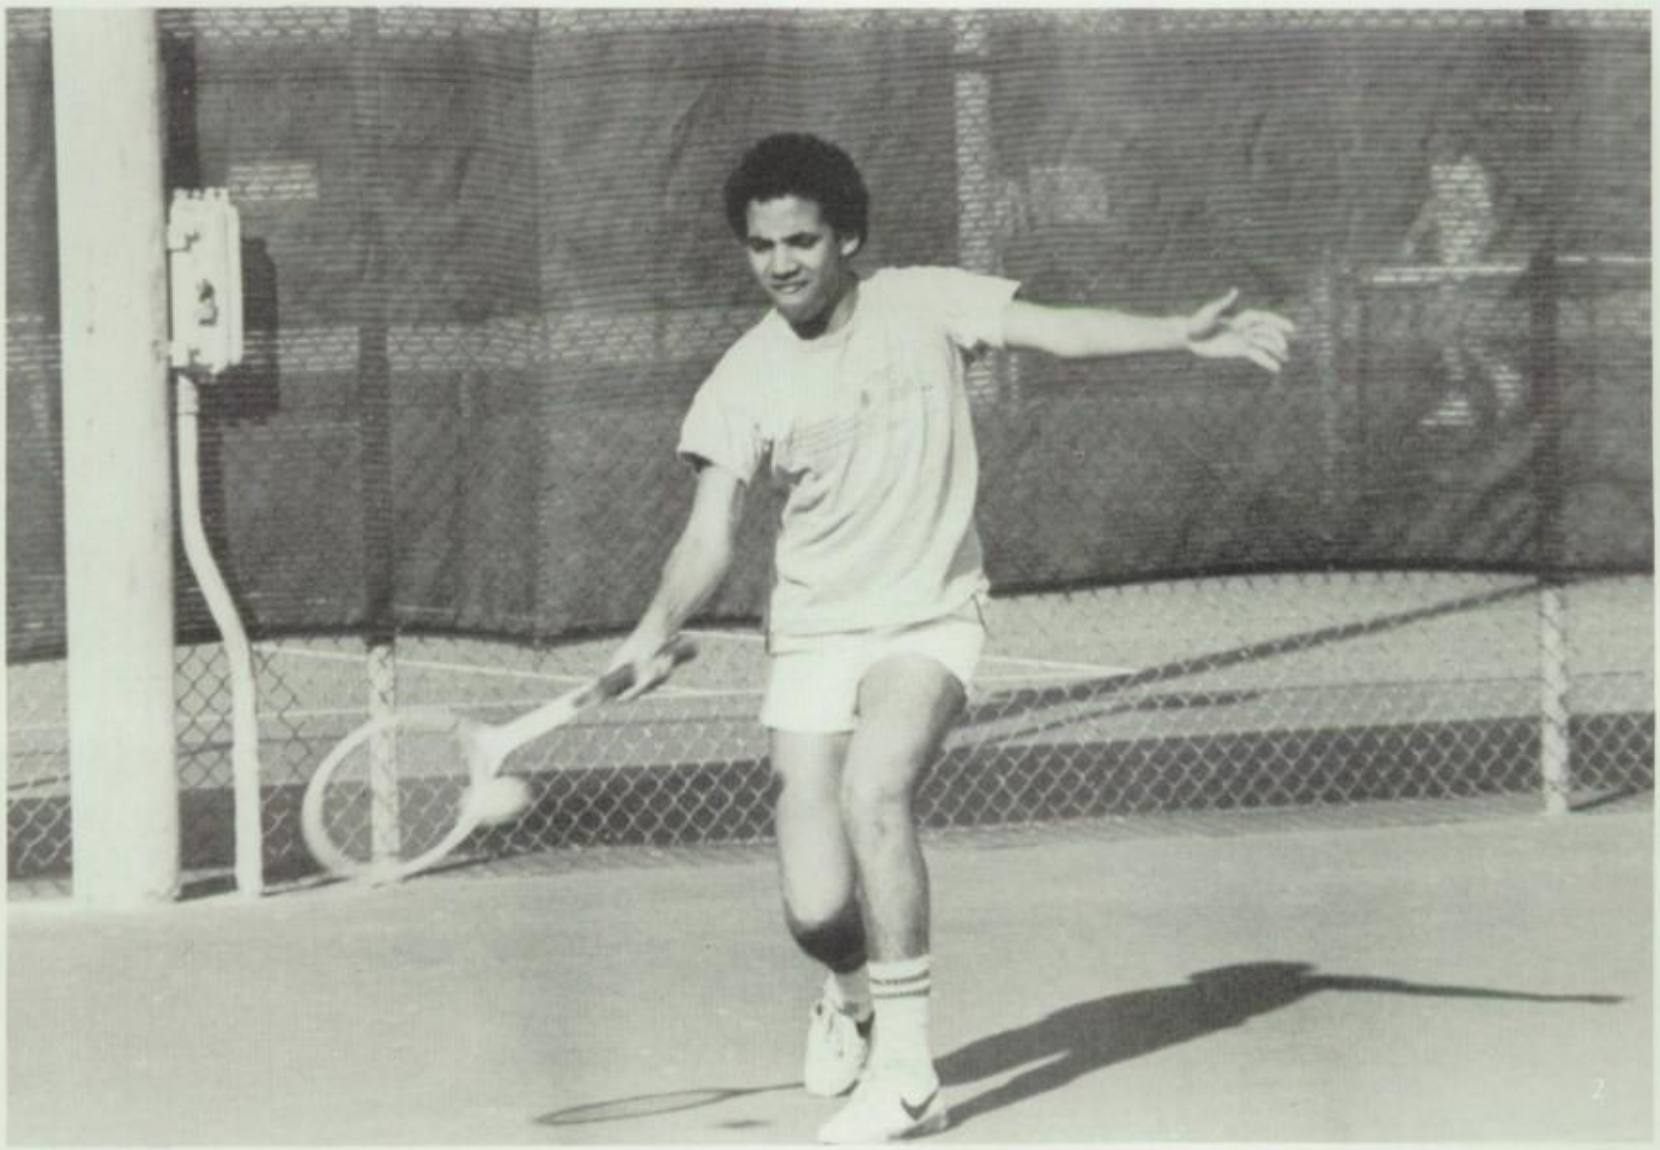
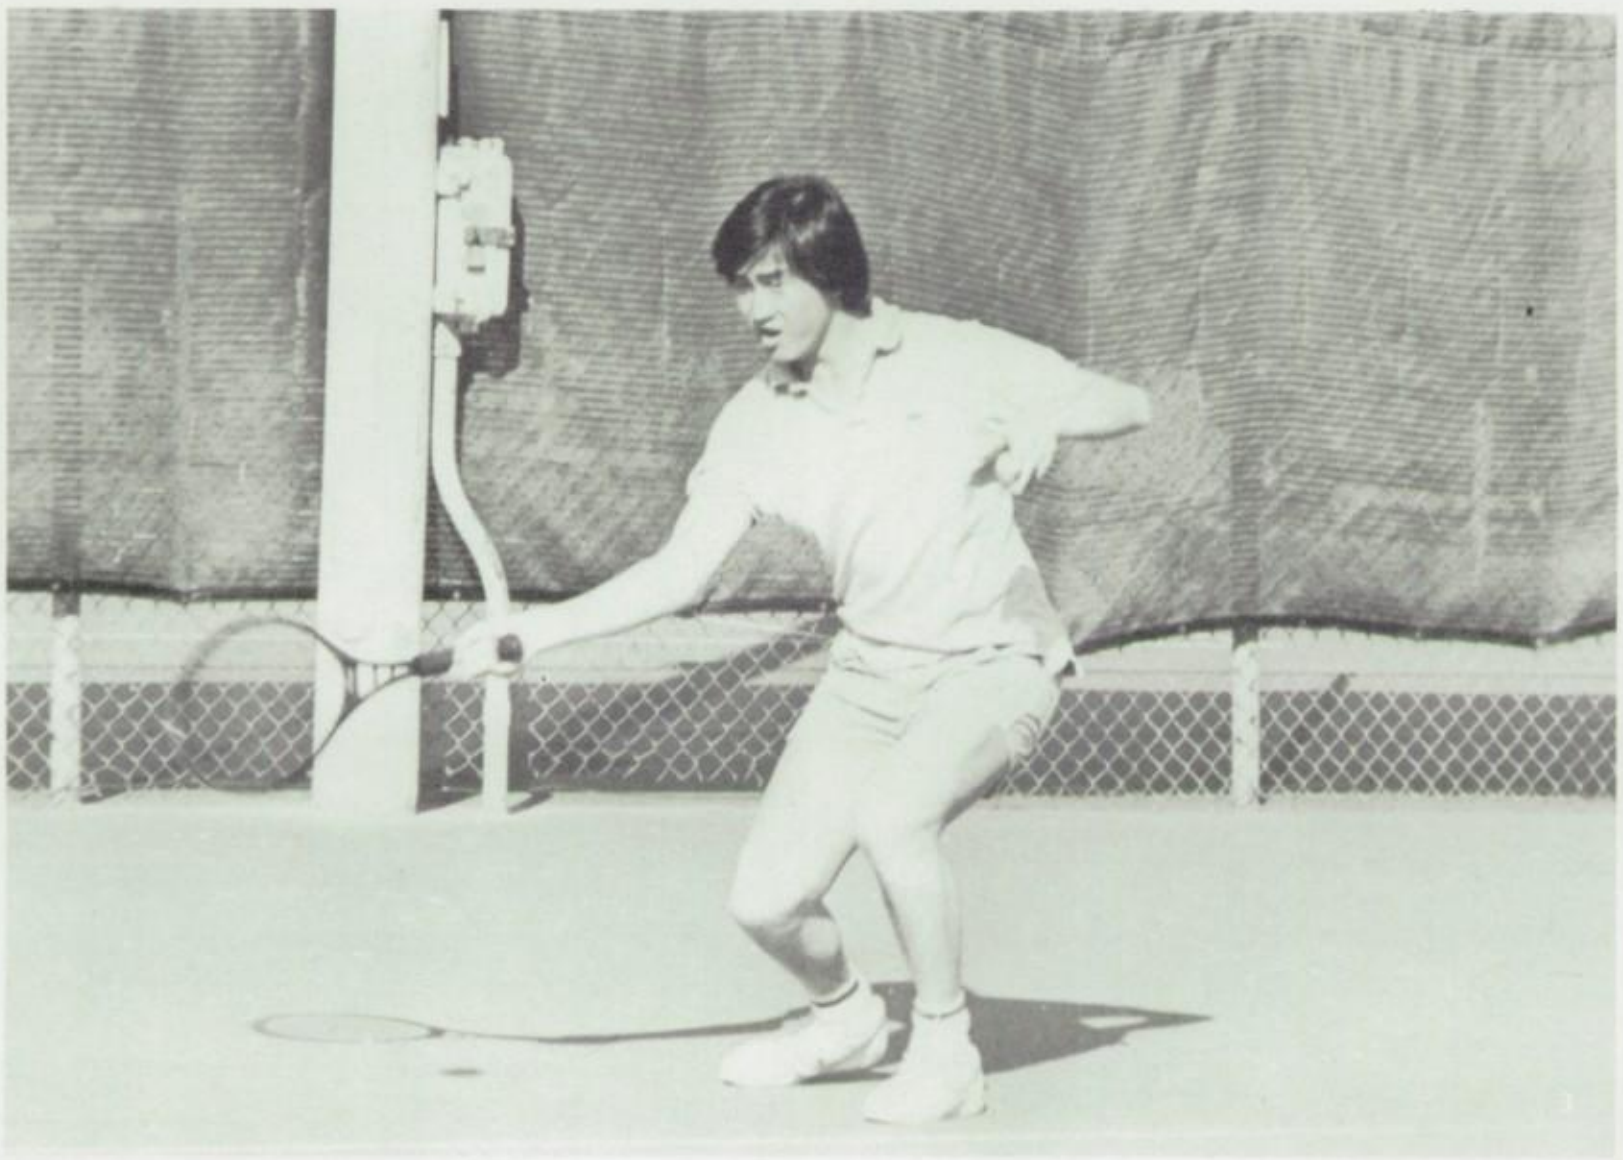
# Swinging For #1

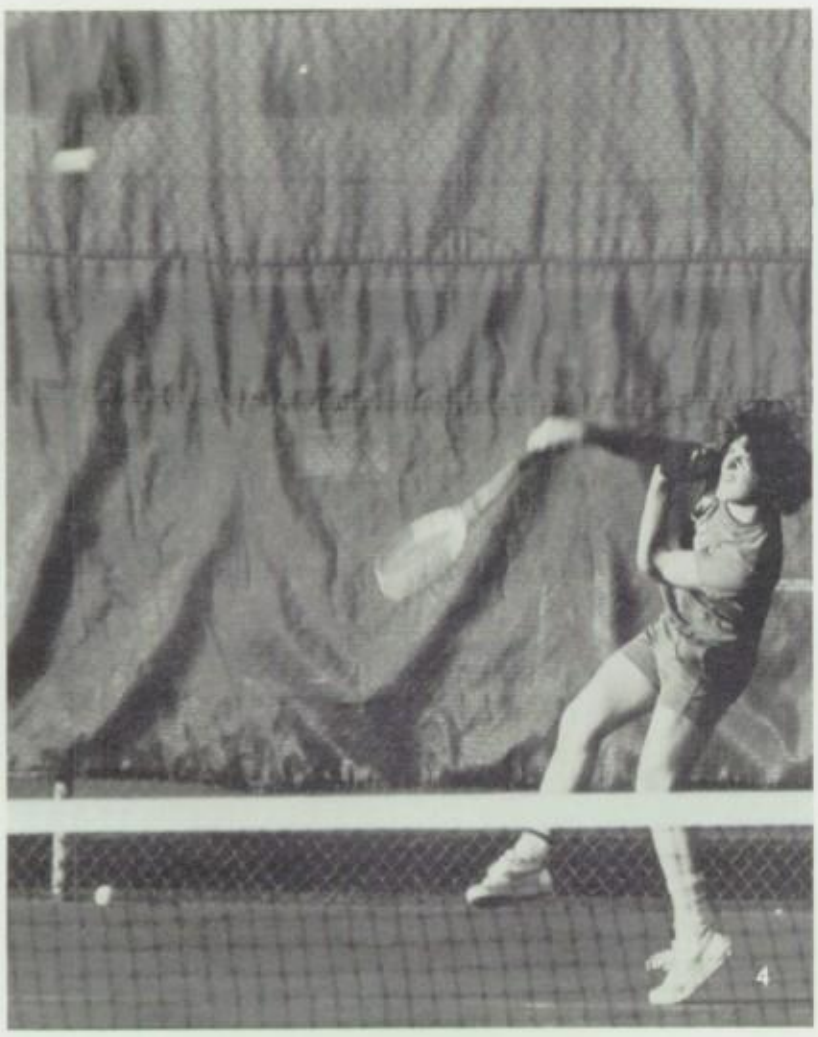
Looking for a great year, the Willow Glen Boys move on towards a first place. Playing the number one spot is Greg Bulwa, and other outstanding players include, Michael Mohr, Jeff Houston, and Steve Baptiste.

"Last year we went all the way to third place in CCS." "This year we will make it to the top," boasted coach Barrett.









1. John Togasaki distracts opponent by screaming.
2. Steve Baptiste returns the ball with style.
3. "The trick is concentration and balance."
4. "How come it went up instead of down?"

# Quantity/Quality

The Willow Glen Swim Team is looking forward to a great season. Led by new head coach Gary Mort, the Rams are moving towards the top. "I am really pleased with the number of swimmers that have shown up this year," boasted Coach Mort, "and with a little effort from everyone we should have no problem in fulfilling our goal."

1. Adam Calmis reaches for the finish.

# THEATRE ARTS DEPARTMENT

## San Jose State Could be Your Stage to Stardom

By Dr. Hal J. Todd, Department Chairman

The Theatre Arts Department at San Jose State University incorporates major degree programs in drama, dance, and radio-television. An interdepartmental concentration in film is available under the radio-television major, and a minor in musical theatre blends drama, dance, and music. Students are thus afforded a unique opportunity to season their major field of study with exploration in other facets of theatre arts.

A faculty of over twenty highly qualified, professionally experienced teachers offer expertise in a comprehensive range of subject matter. Within a broadly based liberal education, students can obtain strong specialized training in performance, technical theatre, dance, radio, and television.

Production is a vital aspect of the department's curricula. Participation in department productions include major plays, children's theatre, dance concerts, musical comedies, oral interpretation programs, radio and television presentations is encouraged and given academic credit. Facilities utilized include three theatres; dance, radio and television studios; well-equipped scene and costume shops; classroom rehearsal and laboratory areas.

The department enjoys a 55 year tradition, an eviable reputation for theatrical productions and numerous successful graduates of whom it is justifiably proud.

Dan for giving me this wonderful opportunity to demonstrate my patience, understanding & control of emotions. Thanks Tracy & Byron.

Don't call me Frazetta!

This year the 1982 Rambler staff chose the theme Renaissance for the '82 yearbook. We chose this theme, because the time period Renaissance itself means what we believe Willow Glen still is, "The rebirth" or "the new age." It was a time of new ideas and experiences. We all feel that high school is a time where it is just part of the beginning of the many steps of discovery and expressing of new ideas to the world.

I would like to express thanks to Mike Ellner, Yearbook Advisor, Toni Thunen, Photography Advisor, Lee Hilbert, English teacher-for her background information on the Renaissance, and the faculty and staff of Willow Glen. Without these people the yearbook would never have been a success. I would like to give a special thanks to the '82 staff for all the hard-hard work and effort they put into the book.

The '82 Rambler staff and I hope your lives will always be full of new discoveries. Best of luck—

Bill~ This is our fourth year of being friends. I miss our long talks about our lives that we used to have last year. But I'm sure you did without me (just kidding). I hope we can stay friends even though we're in different grades. Have a terrific summer. 'Cause next year you'll be gonna be juniors! See ya!
